The image displays a complex drum score on a grid. The score is organized into several horizontal layers, each representing a different drum part. The parts are labeled with letters: A, C, P, D, Y, S, B, Q, T, M, and G. Each letter is placed on a grid where the vertical axis represents measures (numbered 1 to 56) and the horizontal axis represents a specific drum. Small numbers are placed below each letter to indicate the specific drum or instrument used for that part. The score is presented in a 'Director Viewpoint' style, with the grid lines clearly visible. The background is a light blue grid, and the text is black. The score is centered on the page, with some faint, larger text visible in the background, possibly from another page or a watermark.

The chart displays a sequence of drum features across 32 measures. The notation includes letters representing different drum parts (A, P, C, D, R, S, T, M, Y, G, B, Q, N) with numerical counts indicating the duration or sequence of each feature. The features are arranged in a grid format, with some measures containing a '5' in a circle, possibly indicating a specific count or measure marker. The top of the chart has a row of 'G' symbols with counts 6, 1, 5, 4, 8, 11, 10, 14, 12, 18, 17, 20. The bottom of the chart has rows of 'Y', 'G', 'B', 'Q', and 'N' symbols with counts.
